Royal American School (formerly known as Al Maali International School) was established as a villa school in 1996 and moved to its current premises in 2009. By 2010, all students were based on the new campus in the MBZ region of Abu Dhabi. The school caters to students from a variety of backgrounds, mainly Arabic heritage. Over 98% of students are Muslim. Boys and girls are taught in mixed classes up to 4th grade and single-sex classes from 5th to twelfth grade.

ABOUT OUR SCHOOL

مدرسة رويال الامريكية
ROYAL AMERICAN SCHOOL

Welcome to Royal American School, where student well-being and high-quality academics are the foundation of our mission. We are proud to be a school that nurtures both the intellectual growth and emotional well-being of every student.

At Royal American School, we believe that the student voice matters, and we are committed to creating a space where each child is heard, supported, and challenged to reach their full potential.

We celebrate a diverse community, where students from different cultures, backgrounds, and experiences come together to learn, grow, and thrive.

As a school, we are guided by a passion for inquiry, creativity, and lifelong learning. Our goal is to prepare students to become confident, compassionate citizens to impact a global society.

Join us in exploring a world of infinite possibility.

Regards

EARTH DAY

WHAT IS EARTH DAY?

Earth Day, celebrated annually on April 22, is a global event dedicated to raising awareness and promoting action for protecting the environment. First observed in 1970, it marks the birth of the modern environmental movement and encourages individuals, communities, and governments to engage in activities such as tree planting, cleanups, conservation efforts, and sustainability education.
