# Message from the Principal

*Dear Parents and Guardians,*

*I am incredibly proud of all our students for their outstanding achievements this term—both within the school and in representing Royal American School in the wider community. Their commitment, talent, and dedication continue to shine across academics, sports, the arts, and various competitions with other schools.*

*A heartfelt thank you to our parents for your continued involvement and support. As we enter the final month of the academic year, we look forward to your partnership in making it a strong and successful conclusion for all our students.*

*We would also like to take this opportunity to remind you that daily attendance remains a top priority. It is compulsory for all students to attend school each day. If a student is absent, a valid medical note is required in order to update the absence as excused in our system.*

*We wish all our students the very best of success in their final exams and look forward to celebrating their continued growth and accomplishments.*

*Warm regards,  
Ms. Maritza Vorster  
Principal
